

### PE and Sport Premium 2020 – 2021

Vision: ALL pupils leaving Wilden All Saints CE Primary School are physically literate and have the knowledge and skills to be able to engage in all aspects of PE and school sport. ALL pupils lead a healthy and active lifestyle, understand success and failure and have been given a wide range of opportunities to unlock their potential. Purposeful practice, belief and opportunity are the keys to unlocking talent and here at Wilden we aim to combine all three.

#### The 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement;
3. increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. broader experience of a range of sports and activities offered to all pupils;
5. increased participation in competitive sport.
